OES ANDERSON CHAPTER #130

From the WM & WP

Note from AM

Summer is here! Although I no longer get summers off, it's still one of my favorite times of the year. However, for some, it's not so great. We have many children in our area who rely heavily on school breakfast lunch for their nutritional needs. With this not being an option in the summer, there are kids who go hungry. AIM has a great ministry called Summer Food 4 kids that collects food and donations through the summer weeks. Please contribute during June and July. Check the box at the bottom for more information.

Star love,
Anne Marie R.

Note from Al

Greetings Sisters and Brethren, I hope everyone has had a great month and a safe transition into summer. Summer is the time where things get really busy and very hot, humid and dry. Make sure you take the time to pause and look around at the way that God changes our environment from season to season. The plentiful rains have brought amazing growth that we in the southeast do not normally get to see. So go out on the porch, or walk around outside every day, and be amazed at what God has given us.

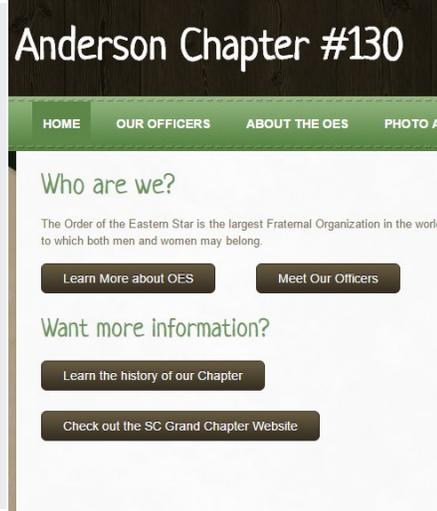

Fraternally Yours,
Albert Rogers, WP

Anderson Chapter Shining on the Web

Yes, it's true! Anderson Chapter #130 has its own website and Facebook page. We are on the world-wide web!

The website contains information on the Order, our Chapter, our officers, and current events. In addition, the Facebook page will hopefully keep members up-to-date on events and news. Both are also a great way for potential members to learn more about OES, our Chapter, and what we do.

Our Past Worthy Patron, Jake O. Phillips encourages everyone to stay educated and thinks our website is one way to help "unlock those doors to knowledge."

If you have any news, photos, or events to add to our website or Facebook page, please e-mail Anne Marie Rogers at arogersneighborhood@gmail.com.

Summer Project: AIM Summer Food 4 Kids

... because hunger doesn't take a break! A hunger program through which volunteers deliver and distribute 'weekend food bags' to some of our areas most vulnerable children each Friday during their summer break from school — a time when they typically face reduced access to food resources.

You can bring:

- Snack size cereal packs (8oz)
- 1% white milk (non-refrigerated)
- 7.5 oz mini beef ravioli and/or beef-a-roni (pop top cans)
- 100% juice boxes
