OES ANDERSON CHAPTER #130

From the WM & WP

Note from AM

Stars,

I keep thinking about legacies. Recently, Hiram Lodge and Albert and I lost a great friend and mentor in the passing of Spoon Huggins. He was always so supportive and generous to us. I can't help but think of his legacy. He was a dependable man. He was generous and loving and had a way of making those around him at ease. Not to mention, he was always fun to be around. That is the type of person I strive to be—generous, dependable, loving, and fun. To me, these are great qualities we should all strive for. I miss my friend but can honor his memory by helping to keep his legacy strong.

Star love,
Anne Marie R.

Note from AI

Thanksgiving...what does this mean to you? I know, I know...it's a bit early to be thinking about Thanksgiving. This American holiday is based on the idea of a bunch of settlers breaking bread with the Native Americans. This was done to celebrate the plenty from the harvest season and to fellowship with family, friends and strangers...strangers. We normally do not associate with strangers, but those at the first thanksgiving were all strangers. As we progress through October and on to the month of November and Thanksgiving, consider showing you are in the Thanksgiving spirit even when around strangers. You never know who might be interested becoming a member of the Eastern Star if they are around the right person showing the right attitude.

Best Regards,
Albert Rogers, WP

Anderson Chapter Celebrates 90th Birthday

Anderson Chapter #130 celebrated its 90th birthday in September. To honor this occasion, a birthday party was held during the social before September's business meeting. Noise makers, candy, and party hats were available as our members visitors sang "Happy Birthday." Our collective birthday wish was for our Chapter's legacy to continue to grow and exhibit our core values of truth, love, and charity. The Chapter's oldest and youngest members Ruth Bran- yon and Dakota Beach blew out the candles. A special thank you to Pamela Dixon for making the beautiful cake.

Anderson Chapter #130 was organized in September of 1927 with Maudy B. Power as the Worthy Ma- tron and Roy Shearer as the Worthy Patron.

Hiram Lodge #68

Hiram Lodge #68 recently lost Charles "Spoon" Huggins, a devoted member who held several positions in the lodge and most recently the Secretary position. Spoon was an upstand- ing member of the community, a veteran of the Anderson County and City Judicial system, and very active in the Masonic organization.

Spoon was also a supporter of Anderson Chapter and showed his support by being avail- able and ordering special supplies when need- ed. He was always generous with his time, tal- ents, and even donations. He also attended open Chapter ceremonies such as the 2017 Open Installation.

In memory of Spoon, Anderson Chapter put together a meal for Hiram Lodge at their Sep- tember business meeting. The brothers were very appreciative of the meal and the Chapter's support.
